

READY FOR SUCCESS TO DOS

Before Orientation Day 1, you should:

- make sure devices are fully charged.
- locate a headphone set with a microphone.
- check your devices to make sure they meet or exceed the technology requirements. See [here](#).
- have a dedicated learning space that is quiet and conducive to work.
- check your internet connection.
- update your LinkedIn profile (if you have one).
- join student Facebook group [here](#).

About a week before your **Orientation Day 1**, keep your eyes out for an email from our team regarding your tech credentials for various software platforms you'll use throughout your course.

POTENTIAL OBSTACLES

What are some potential obstacles that might prevent your success?

Sometimes, if you identify what might be a potential obstacle to your success, you, your career coach, and life coach can work together with you to overcome these challenges!

Life challenges? (financial, housing, childcare)
